## Material Facts

Please remember that all material facts must be disclosed. Failure to do so could invalidate the policy. A material fact is one that is likely to influence an insurer in the acceptance and assessment of the application. You must therefore inform the insurer of any circumstances of which the insurer may not be aware. If you are in any doubt as to whether a fact is material then it should be disclosed to the insurer. If there have been any changes in any material fact that have arisen since this insurance was taken out or last renewed please inform your insurance adviser.

Each renewal invitation is made on the basis of the information we have at the time it is issued. We may revise or withdraw it if, before the date your renewal takes effect, any event occurs that gives rise to a claim or alters the material facts under this insurance, even if we are notified after your renewal date.

A specimen copy of the policy wording is available on request. You should keep a record (including copies of letters) of all information supplied to the insurer for the purposes of the renewal of this insurance. A copy of the completed application will be supplied on request within a period of three months after its completion.

Disclosures should be clear and specific. The insurer will not be deemed to have knowledge of any information generally referred to (for example the contents of company websites listed in the risk presentation) or any matter not expressly drawn to our attention.

## Data Protection Act - Information Uses

---

For the purposes of the Data Protection Act 1998, the Data Controller in relation to any personal data you supply is Aviva Insurance Limited.

---

### Insurance Administration

Your information may be used for the purposes of insurance administration by the insurer, its associated companies and agents, by reinsurers and your intermediary. It may be disclosed to regulatory bodies for the purposes of monitoring and/or enforcing the insurer's compliance with any regulatory rules/codes. Your information may also be used for offering renewal, research and statistical purposes and crime prevention. It may be transferred to any country, including countries outside the European Economic Area for any of these purposes and for systems administration. Where this happens, we will ensure that anyone to whom we pass your information agrees to treat your information with the same level of protection as if we were dealing with it.

If you give us information about another person, in doing so you confirm that they have given you permission to provide it to us and for us to be able to process their personal data (including any sensitive personal data) and also that you have told them who we are and what we will use their data for, as set out in this notice.

In the case of personal data, with limited exceptions, and on payment of the appropriate fee, you have the right to access and if necessary rectify information held about you.

## Data Protection Act - Information Uses *(continued)*

---

In assessing your application now or at renewal, the insurer or its agents may undertake checks against publicly available information (such as electoral roll, county court judgements, bankruptcy orders or repossessions). Similar checks may be made in assessing any claims made.

Information may also be shared with other insurers either directly or via those acting for the insurer (such as loss adjusters or investigators).

---

### Credit Searches and Accounting

In assessing your application/renewal, to prevent fraud, check your identity and to maintain its policy records, the insurer may search files made available to it by credit reference agencies who may keep a record of that search. The insurer may also pass to credit reference agencies information it holds about you and your payment record. The information will be used by other credit lenders for making credit decisions about you and the people with whom you are financially associated for fraud prevention, money laundering prevention and for tracing debtors.

The insurer may ask credit reference agencies to provide a credit scoring computation. Credit scoring uses a number of factors to work out risks involved in any application. A score is given to each factor and a total score obtained. Where automatic credit scoring computations are used by the insurer, acceptance or rejection of your application/renewal will not depend only on the results of the credit scoring process.

---

### Sensitive Data

In order to assess the terms of the insurance contract or administer claims that arise, the insurer may need to collect data that the Data Protection Act defines as sensitive (such as medical history or criminal convictions). By proceeding with this application/renewal you will signify your consent to such information being processed by the insurer or its agents.

---

### Marketing

Aviva group, its agents and business partners may use your information to keep you informed by post, telephone, facsimile, e-mail, text messaging or other means about products and services that may be of interest to you. Your information may also be disclosed and used for these purposes after your policy has lapsed. By providing us with your contact details, you consent to being contacted by these methods for these purposes. If you do not wish to receive marketing information, please write to Aviva, FREEPOST, Mailing Exclusion Team, PO Box 6412, Derby, DE1 1SB.

- Check your identity to prevent money laundering, unless you furnish us with other satisfactory proof of identity.

---

## Claims History

- Under the conditions of your policy you must tell us about any Insurance related incidents (such as fire, water damage, theft or an accident) whether or not they give rise to a claim. When you tell us about an incident we will pass information relating to it to a database.
- We may search these databases when you apply for insurance, in the event of any incident or claim, or at time of renewal to validate your claims history or that of any other person or property likely to be involved in the policy or claim.

You should show these notices to anyone who has an interest in the insurance under the policy.
