COVID-19:

We have all become aware of the risks presented by novel coronavirus during the worldwide pandemic including that COVID-19 is contagious and believed to spread mainly from person-to-person contact. As a result, we are all asked to adhere to COVID-19 related hygiene requirements and social distancing policies.

In regard to the Chariots of Fire Relay Race, while we are hopeful that by the time of the Race there will be a greater degree of management of COVID-19 across the country, we cannot be certain about that. Therefore, the organisers cannot give any guarantees to entrants or spectators in regard to the risk of infection with COVID-19. As a charity we must therefore ask that entrants to the Race acknowledge the contagious nature of COVID-19 and voluntarily assume the personal risk that you may be exposed to or infected by COVID-19 by taking part or attending on the day and that such exposure or infection may result in personal injury or illness, permanent disability, and death.

- All entrants must:
- Accept personally the COVID-19 risks as above.
 - Follow the designated course and beware of traffic, pedestrians and other entrants
 - Abide by the orders and directions of the Race Director, course marshals and police
 - Observe and obey all signs along the route
 - Ensure they are medically fit to enter the race
 - Be at least 16 years of age

I acknowledge and accept the disclaimer above, agree to abide by the rules and agree that the decisions of the race officials shall be final. I confirm that I am at least 16 years of age, and that I am medically fit to enter this race.
